

# HIDDEN SECRETS OF OUR ACO Journey TO FINANCIAL GROWTH AND QUALITY CARE

*Our step-by-step journey to lessen the healthcare disparity gaps of rural America*

Don't miss this captivating interview with Jackie Reviel, CEO of Allen Parish Community Healthcare of Kinder, LA. See how her team leveraged ACO collaborations to thrive and grow, all during a pandemic!

*"CEO Jackie and her team have accomplished what few CEO's dream to achieve, a breakthrough in quality and an incredible improvement in financial outcomes. Do not miss this!"* – Brian Lee, CSP, HoF

#### WHO SHOULD ATTEND:

- C-Suite, Executives, Senior Leadership, Financial Officers, Quality Leaders & Anyone Interested in Improving Health Disparities in Rural Communities from their ACO Involvement.

#### YOU WILL LEARN HOW TO:

- ACO brings quality improvement with real financial benefit
- Value based care is here to stay, overcoming the fear of joining ACO
- Do not miss out on this tidal wave of change and its financial upside
- Insure your Rural Health Clinics are not left out of new and changing alternate payment models
- Navigate the complexity of ACO involvement with surprising ease
- Fortify your personal and organizational values into continuously improving patient outcomes, as it is simply the right thing to do
